📍 Address: Skardu, Pakistan

OBJECTIVES

I strive to advance research in **Biomedical Sciences** especially in **Medical Laboratory Science** by developing innovative **diagnostics** and **risk prediction** methods and tools to enhance public health outcomes.

RESEARCH INTEREST

- ✓ Interdisciplinary applications of **Medical laboratory sciences** (pathology, microbiology, molecular biology, biochemistry, pharmacology).
- ✓ **Molecular & computational Biology**: NGS, in silico vaccine design, protein post-translational modifications.
- ✓ **Antimicrobial resistance (AMR)** and **pharmacological** strategies for novel therapeutics.
- ✓ **Bioinformatics & AI** for biomedical discovery, drug design, and translational research.

ACADEMIC QULIFICATION

2021-2025 **BS-Medical Laboratory Technology (CGPA: 3.25/4)**

University of Haripur, Pakistan

Majors: Clinical Pathology, Clinical Haematology, Clinical Microbiology, Bioinformatics, Molecular Biology, Virology, Bacteriology

Final Year Project *“Incidence rate of Parasitic Infection in Patients at PHQ Gilgit, Pakistan”*

Techniques used: Cross-sectional study, Stool sample analysis, Direct wet mount microscopy, Concentration methods (formal-ether sedimentation or flotation), Staining for protozoan detection, Excel, SPSS and Endnote

PUBLICATION

- Hussain, M., Javed, M., **Ali, S.**, Saher, A., Mahoor, M., Shah, S. M., & Fatima, H. (2025, July 19). **Serological assessment of rheumatoid arthritis risk in the general population using rheumatoid factor analysis.** Medical Science Review. <https://medscireview.net/index.php/Journal/article/view/1565>

LABORATORY EXPERIENCE

In progress **Laboratory Assistant at RHQ Skardu**

Haematology: Complete blood picture, Total leukocyte count, RBC count, Haemoglobin count, Cross match, ABO Blood grouping, Erythrocyte sedimentation rate

Biochemistry: Liver function tests(ALT, ALP, Bilirubin), Renal function tests(Creatinine, BUN), Electrolytes, Coagulation profile, Lipid profiles(Triglycerides, Cholesterol),

PCR: DNA/RNA extraction, Detect (M. tuberculosis), RT-PCR, Multiplex PCR (G. lamblia)

Nov 7, 2023 **Laboratory Technologist/Internee at IDC Islamabad**

• Performed Cross match, blood, urine, ABG, PT, INR tests; microscopy and biochemical assays, ensured biosafety and quality documentation under supervision.

SKILLS

Laboratory Skills:

- Six Sigma - Quality Control
- Spectrophotometry, microscopy chromatography, Sensitivity testing
- PCR, gel electrophoresis, ELISA, DNA extraction, blotting
- Centrifuges, pH meters, balances, autoclaves, biosafety cabinet

Computational Skills:

- Python, Excel
- BLAST, PyMOL
- GraphPad Prism, SPSS
- LaTeX, GitHub (basic), Microsoft Office Suite

Soft Skills:

- Writing clear lab reports and research summaries
- Presenting findings in class and group projects
- Collaborate well in teams during lab and coursework

BIostatISTICS & DATA ANALYSIS SKILLS

- Python for Biologists- ANOVA, T-Test, PCA, TSA, EDA, Dendrogram, Chord diagram, Descriptive analysis, Regression, Biodiversity metrics, Geopandas– DHS Freelance Hub
- Python for Everybody Specialization (in Progress) - University of Michigan
- Biostatistics in Public Health- Johns Hopkins University
- Statistical Analysis for Researchers – HEC Pakistan
- Workshop: Advances in Biostatistics, UoH

ONLINE SPECIALIZATION/COURSES

- How to Get Published in Journals – Elsevier Researcher Academy
- Clinical Trials: Good Clinical Practice Specialization – Novartis
- Six Sigma Yellow Belt Specialization (DMAIC) – University of Georgia
- Epidemiology of HIV(IDEA Program) - University of Washington
- Types of Neurological Diseases – Peking University
- Nucleic Acid Extraction – CDC
- Genetic Epidemiology Foundations - University of Colorado System
- Hepatitis C, Continuing Education Certificate - University of Washington
- Contact Tracing for COVID-19 – Johns Hopkins University
- Scientific Paper Writing & Publishing – École Polytechnique

AWARDS & SCHOLARSHIPS

- Prime Minister's Youth Laptop Award (NAVTTTC), 2025
- University of Manchester International Scholarship, granted to high-achieving students, 2024
- Imamia Sadat Educational Scholarship – financial and academic support 2023.
- Annual Essay Inter College Competition, got second position, UoH, Feb 2023.

CONFERENCE & WORKSHOPS

Nov 2023: 1st Intl. Conference on Innovation in Medical Lab Sciences, UoH

May 2024: Transplantation Medical Conference, PHOTA

Jan 2025: Workshop: Laboratory Animal Handling, UoH

May 2025: Gilgit-Baltistan Youth First Senate Member, UoH

LANGUAGE

- English: Advanced
- Chinese Characters for beginner(in progress) - Peking University
- Urdu: Native
